

# Audit Shield claims activity across Canada

1 January - 31 December 2022

There's nothing more frustrating than being selected for a review of your filed returns instigated by the Canada Revenue Agency (CRA) and other provincial revenue agencies. Whilst we make all efforts to prepare your returns perfectly we cannot stop the CRA and other provincial revenue agencies choosing to undertake a review.

Below is a chart outlining Audit Shield Fee Waiver Service claims across Canada as compiled by Accountancy Insurance between 1 January - 31 December 2022\*.

All of our clients are invited to participate in the Audit Shield Fee Waiver Service. In most cases individuals and other family entities can be covered with the business entities – for no extra cost.
